"It's All About Wildlife"

Join a tradition of active conservationists who are dedicated to restoring habitat and populations of all upland wildlife species including deer, turkey, quail, pheasant, rabbits, dove, prairie chickens, grouse and more. We don't just talk about it, we "turn-the-dirt"™ with projects from food plots to watering sites. We are a non-profit organization, formed as a 501(c)(3) organization so your contributions are *tax deductible*.

Our benefits include (see listing on back): A membership card and sticker identifying you as a true conservationist and to be used for additional sponsor discounts, monthly E-newsletter "**The Habitat Guide**"™, and our internet site **www.quwf.net** that is totally dedicated to our members and chapters loaded with habitat information, chapter information and the latest news. Chapter event and project insurance is included that covers your activities as a steward of the land including controlled burns (with approved burn plans). More to come! *Join a chapter and share the passion of wildlife restoration with others just like yourself.*

Be a **Founding Member** of this new wildlife outreach; for \$50.00 (\$35.00 for yearly dues and \$15.00 to help build a new future for wildlife). There will be only 1,000 founding memberships. You will have a unique membership sequence number ex: FM 00.

Be a **Founding Lifetime Member**, only 500 FLM 000 memberships will be offered and they have already begun to fill, for \$1,000. You will have a unique membership sequence number. *Founding Lifetime Members will always be welcome at all National social events at no charge.* Receive a RUGER firearm for your support.

Higher levels of membership are available for additional support through National. Ask about our Guardian, Benefactor or Presidential Diamond Membership opportunities.
